Docket No. 98N-1265  
Food and Drug Administration  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

NO! to more ridiculous  
government infringement!  
Why do you try to screw up  
something that already works?  
Where were the big drug companies  
when we needed this stuff 15  
years ago? No where!

NO! NO! NO!
